Parent Survey
One of the measures that the school uses to judge performance and progress is the Parent Satisfaction Survey. This survey gives parents the opportunity to comment on how well they believe elements of school operation are functioning. The school uses this data to assist with its planning for improvement. Unfortunately, only a limited number of parents have completed the survey. I have decided to extend the closing date of the survey until Friday 18th November and I urge all parents to complete the survey if at all possible. The link to the survey is:

Arrival times at school
The onset of warmer weather has seen a number of students arriving at school much earlier, in some cases prior to staff being on site. Parents/caregivers are reminded that children should not be arriving at school prior to 8.30am, as classrooms do not open until 8.35am.

Interschool Athletics Carnival
A large group of athletes from Year 4, 5 and 6 represented our school on Tuesday at the Interschool Jumps & Throws Carnival, which was held at Bunbury Primary School. The attitude, effort and behaviour of all our competitors was excellent, with many performing very well in their individual events. Tomorrow sees the running of the Interschool Athletics Carnival, to be held at the athletics track at the South West Sports Centre. I would like to wish all of our athletes best wishes for a successful day and I am sure that all will be outstanding ambassadors for our school.

Remembrance Day
Tomorrow, the 11th of November, is Remembrance Day. It is a day to reflect upon the sacrifices others have made to enable us to live in the manner in which we do. The school has Poppies that are being sold for a donation, with all profits going to the local RSL branch. A minutes silence will be held tomorrow morning, prior to students being released for recess.

New Uniforms 2017
There will be new Dalyellup Primary School Uniforms for 2017. Style samples are available in the uniform shop for you to review! Although they are not our colours, you can see the style.

Pre-orders can be placed now through the Uniform Shop (order forms available in the front office):
Monday 2.30pm–3.45pm
Thursday 8.00am-10.00am

There are some sizes left of the current uniform available at reduced prices. The current uniform will of course be suitable to be worn alongside the new uniform next year.

VOLUNTARY CONTRIBUTIONS
We encourage all parents to pay any outstanding Voluntary Contributions as soon as possible.
Events such as the “HIP HOP” that was held last term was partially funded by the Voluntary Contributions. This was a great learning opportunity for students and they thoroughly enjoyed the incursion!!

REMEMBRANCE DAY
Remembrance Day is tomorrow 11th November and we will be honouring a minutes silence. Poppies are available with a coin donation in the School Office now.

PARENT SURVEY—to be completed please
In keeping with Federal Government funding requirements, Dalyellup Primary School has constructed a short survey to enable parents to have input on school operations. As a school that is constantly striving to improve our service and performance, feedback is essential. Parents are reminded that a survey is available for them to complete. Analysis of data collected from the survey will be used to guide future planning and programs. The link for the survey is located at https://www.schoolsurvey.edu.au/s/mjlwHTFH and needs to be completed by Friday 18th November.

PLEASE THIS SURVEY IS VERY IMPORTANT! We need a lot more completed :)

KICK STARTING YOUR CHILD’S CAREER JOURNEY - A Guide for families of young people with disability

All families want their children to lead productive and fulfilling lives. People with disability also share this aspiration. More than 80% of people receiving the Disability Support Pension report they would like to have a job.

This guide by Sue Robertson, former Managing Director of Edge Employment Solutions, provides practical tips and information to help families plan constructively for their child’s future employment. It is intended to be used in conjunction with a range of other online resources which are listed on the last page.

This resource is particularly suited to parents of highschool students, though also has a key message around setting up the expectation for employment when children are in primary school.

Dear Parents,

Dalyellup Primary is hosting a Scholastic Book Fair running now through until Wednesday 16th November. The books will be delivered to the school in large book shelves on wheels. This means more books for you to choose from and easier access to the books. The Book Fair will also be open on the day of the fete.

Please support this Bookfair. The higher the sales the more books for the school.

Christmas is only 48 days away so this would be a great opportunity to finish off your shopping.

If you wish to purchase a book and donate it to the library, Pre Primary or Kindy a name plate will be placed inside the book acknowledging your donation.

Eftpos facilities will be available.

“BE KIND”  
Use kind words and actions.  
Treat others the way we want to be treated.

- We use kind words because we want to build people up—not tear them down.
- Kind action helps us to show other people that we think they are special!

VIRTUES  
“TOLERANCE”  
Tolerance Tristan  
To practice Tolerance you can:

- Accept differences  
- Forgive others  
- Respect others opinions when they are different from yours  
Look for someone to have fun with
