MERRY CHRISTMAS

Where has 2016 gone? A busy school year is rapidly drawing to a close, with just over a week left in the school year. Children finish school at the end of the school day on Thursday 15th December with staff finishing at 3pm on Friday 16th December.

I would like to wish the entire school community a safe and relaxing Christmas vacation and school holiday period. I hope you all enjoy the family time afforded at this time of year and take the opportunity to recharge the batteries for the 2017 school year.

IMPORTANT 2017 DATES

Wednesday 25th January—office opens (closed Australia Day)
Monday 30th January—Teaching and Ed Assist commence
Wednesday 1st February—Children commence

SEMESTER 2 STUDENT REPORTS

Student reports for Semester 2 will be issued at the end of the school day on Wednesday 14th December. Parents are asked to go through the report with their child. Where parents have a query about any element of a report, they are asked to contact the school office on 9795 2999 to arrange an interview with the relevant teacher.

CLASS LISTS

2017 Class lists will be displayed in the windows of Block 6 (Year 6 block) facing Hartog Road. Class lists will go up on Saturday 17th December and will remain up for the duration of the school holidays.

SECURITY FENCE INSTALLATION

Installation of our security fencing has commenced and it is anticipated that this will be finalized in time for the school holidays. When installation is complete, unauthorized access to the school property will become a trespassable offence, and offenders will be prosecuted. I strongly encourage all parents/caregivers to ensure that at no stage does their child enter the school property, as the ramifications for such behaviour are large. CCTV and regular security patrols will ensure that action will be taken against those who trespass.

Gary Quinn - Principal
New Uniforms 2017
There will be new Dalyellup Primary School
Uniforms for 2017. Style samples are available in
the uniform shop for you to review! Although
they are not our colours, you can see the style.

Pre-orders can be placed now through the
Uniform Shop
(order forms available in the front office):
Monday 2.30pm—3.45pm
Thursday 8.00am-10.00am

There are some sizes left of the current uniform
available at reduced prices. The current uniform
will of course be suitable to be worn alongside
the new uniform next year.

Volunteers helping students thrive
P&C 2017

Monday 28th November was our last P&C Meeting—we managed to get a couple of old faces back and a new face which was awesome! But still out of around 500 families we only managed approx. 14 parents....PLEASE we need more for our wonderful P&C next year!

Our current members are single parents and some even hire babysitters so they can attend our meetings which is a fabulous commitment!! So please come along next year ... bring a friend from your class! If every class could even manage 2 adults we would have around 50 attend! WOW!! That would be amazing!! Can you be the adult that brings a friend and makes this happen!!

Being a part of our P&C brings not only friendships with other members, but a sense of worth to know you are doing your part and helping to make our school the best it can be for our kids!

2016

ITEMS PROVIDED BY OUR WONDERFUL P&C

As you know fundraising events are held throughout the year to raise much needed funds for supplies for our students. Here are some of them to give you an idea of where the money goes. As it has been said before, it would be great if we had more P&C members to assist in making 2017 even more successful with fundraising to help our school!

Maths Resources
Playground beautification with new trees
Ipad purchase for 200 night readers prize
“Armed for Life” talk by visiting speaker
200 Night’s Reading Ipad Winner!!

Congratulations to CHARNE
From Year 4
As the winner of the
Ipad for 200 nights reading for 2016!!!

Well done Charne III

Bunnings Workshop Visit

Year 1, Rooms 3 & 4 were recently treated to a visit by Bec from Bunnings. During the visit students were provided with all the materials they required to build their very own wooden serving tray for Santa on Christmas Eve! At times it felt and looked just like Santa’s Workshop with lots of hammering, glueing and joyfulness! The students were thrilled with the end results and very grateful to Bec for the opportunity.
